Kentucky's Splendid New Statehouse Dedicated With Imposing Ceremonies

GOVERNOR'S STATE RECEPTION ROOM.

MAIN CORRIDOR.

PERSPECTIVE VIEW OF KENTUCKY'S NEW CAPITOL.

FRANKFORT, June 2.—Thousands of people at the ceremonies incident to the dedication of Kentucky's new statehouse today witnessed the official culmination of a fight of more than a hundred years on the part of Frankfort to retain the seat of government and on the part of other cities in the state to have the capital removed from Frankfort.

The citizens of Frankfort in that hundred years' fight have donated thousands of dollars toward paying for the first three or four statehouses and many more thousands in entertaining various legislatures in the effort to retain the seat of government here. Until the present splendid structure was actually built the Frankfort people have felt uneasy lest something might happen to rob them of the statehouse. The dedication of the new building has put all doubts to rest.

Thousands of people from practically every county in the old commonwealth journeyed to Frankfort this week to witness or take part in the formal ceremonies. More than 700 schoolgirls came on one train from Louisville and sang a song as a part of the dedication program.

A big temporary platform was erected immediately in front of the capitol building, and from this stand United States Senator W. O. Bradley delivered his eloquent speech as the orator of the day.

Mayor Polsgrove of Frankfort delivered the address of welcome, and Governor Willson made a speech preceding that delivered by Senator Bradley. Several hundred former students of the Kentucky Military Institute, which school flourished four miles from Frankfort for more than fifty years, were in attendance, having decided to hold a reunion here on dedication day.

Legislation For New Capitol.

When the legislature of 1904 met the state of Kentucky was practically out of debt, and a bill appropriating \$1,000,000 for the erecting of a new state capitol passed that body with but one dissenting vote. A commission to carry out the provisions of the act was appointed, consisting of the following: J. C. W. Beckham, governor; H. V. McChesney, secretary of state; S. W. Hager, state auditor; N. B. Hays, attorney general, and H. M. Bosworth, state treasurer. At the first meeting Henry B. Ware was elected secretary to the board.

It was provided by the act above referred to that the new building was to be erected upon the site of the old, but when the architect, Frank M. Andrews of Dayton, O., presented his plans it was found that the old location was not suitable for the proposed structure. A special session of the legislature was called to meet in January, 1905, to consider the matter, and the location was changed to South Frankfort on the grounds known as the "Hunt place," containing thirty acres, for which the state paid \$40,000.

A contract was let to the General Supply and Construction company of New York for the erection of the building. On Aug. 14, 1905, ground was broken for the foundation, and on June 16, 1909, the cornerstone was laid.

Incident to the change of administration, which occurred on Jan. 1, 1908, the following commissioners took charge of affairs: Augustus E. Willson, governor; Ben L. Bruner, secretary of state; Frank P. James, state auditor; James Branthitt, attorney general, and Edwin Farler, state treasurer, and thereupon Captain Edward M. Drane was elected secretary to the board.

Under this new management contracts were let for the completion and furnishing of the building, and on

July 26, 1909, the building was first occupied by Secretary of State Ben L. Bruner.

New Statehouse Described.

The face work of the building is constructed of limestone from Bedford, Ind., with a Vermont granite base, and rests upon a concrete foundation. It is surrounded by an architectural stone terrace, with concrete floor, covered with vitrified brick. The outer walls of the building are ornamented with Ionic columns, thirty-two on the front four on either end and thirty on the back, all of which are monoliths, twenty-seven feet ten inches tall, weighing about eighteen tons each.

The pediment over the north entrance, designed by Charles Henry Niehaus of New York and executed by the Austrian sculptor Peter Rossak for the sum of \$40,000, is richly sculptured and adds greatly to the appearance of the building. The heroic figure in the center represents Kentucky standing in front of a chair of state. Her immediate attendants are Progress, who is seen kneeling at her feet pushing a winged wheel; History, on the right, is recording the events of the richly peopled past; Plenty stands in the left background with a cornucopia overflowing with fruit and grain; Art is represented on the right by a female figure with palette and brush in her hand; Labor, in the rear, facing Art, by a male figure stripped to the waist and grasping a hammer. An agricultural aspect is introduced by groups of cattle and horses, with male and female figures wreathing the creatures in a festive array. The idea of the statue is portrayed in the two ends of the pediment by its grouping, and its indivisibility and stability are shown in the state seal, which is indicated at the left end by a group of two figures tying fasces, signifying strength and unity. At the other end is an Indian group of two figures, suggestive of pioneer days, crouching with fear and watching the approach of civilization.

The dimensions of the new statehouse are as follows: Total length from east to west, 403 feet; depth of central part of building through the vestibule, 186 feet; diameter of rotunda, 57 feet; height of building from terrace floor to top of parapet wall, 80 feet; height of dome from terrace floor to top of lantern, 212 feet; width of agricultural terrace at the front and rear of the wings of the building and at the east end, 30 feet; width of agricultural terrace at the west end and rear of central pavilion, 40 feet; length of pediment from east to west, 74 feet; height of pediment from base line to apex, 25 feet.

apex, 25 feet.

The following items represent the total cost of the building: Amount expended for building proper, \$1,180,434.80; amount expended for grounds, \$63,793; amount expended for furniture, carpets, marble floors, mural paintings, etc., \$141,881; amount expended for metal file cases, vaults, etc., \$45,188; amount expended for power plant, \$90,000; amount expended for enrichment of pediment, \$40,000; amount expended for heating, lighting and electrical fixtures, \$108,703.20; amount expended for terrace and landscaping, \$190,000, making a grand total of \$1,860,000.

Kicked In Stomach

James H. Baughman Badly Hurt By Fractious Mare.

James H. Baughman, one of the best known farmers of Lincoln county, was kicked in the stomach by a mare Tuesday morning and badly injured.

For a while it was feared that his injury might take a serious turn, as he caught the blow from the animal's hoof in the pit of the stomach shortly after eating a hearty breakfast. He was knocked flat on his back and rendered unconscious. His back was hurt by the fall, also, and he has been confined to his bed since. Mr. Baughman was considerably improved Friday and hopes to soon be out again. He was standing close to the mare when she lunged and kicked at him. The injury would have undoubtedly been much more serious had he been a little farther away and caught the full swing of the flying hoofs.

To Fight White Plague.

Meetings To Be Held At Two Points In County.

The physicians at other points in the county are actively interested in the anti-tuberculosis fight. A mass meeting will be held at the Christian church at Crab Orchard Sunday afternoon at 3 o'clock, at which addresses pertinent to the matter will be delivered by Drs. J. G. Carpenter, Edmiston, Jones and Harmon.

On Sunday, June 12, a similar meeting will be held at Hustonville, at which Drs. Alcorn, Barker, Childress, Pipes and Bertie Carpenter will speak.

Tax Rate Fixed,

And More Stable Room Provided By School Board.

At a meeting of the board of education of Stanford this week, the tax rate for the support of the Graded School was again fixed at 40 cents and \$1.25 poll tax, the same as last year.

The board reorganized, re-electing Dr. W. B. O'Bannon president and Prof. J. W. Ireland secretary. It was decided to increase the stable accommodations on the school grounds to double their present capacity, so as to better care for the horses and rigs of those who drive in from the country to school.

Ptomaine Poisoning

Gets in Its Work in Garrard County Also.

Last Sunday afternoon while Mr. and Mrs. J. E. Dickerson, of Lancaster, were visiting relatives in Garrard, their son, J. Wesley Dickerson, was taken alarmingly ill, and hastened at once to town to a physician. Upon returning home they found their young daughter, Pearl, and their sister, Miss Flossie M. Sutton, also very ill. By the prompt aid of a physician all three were relieved, and soon out of danger.

The serious illness of all three was pronounced ptomaine poisoning, and was thought to be the result of the ice cream they ate for dinner.

Highland.

Farmers are about through planting corn and are busy preparing to harvest ground.

W. O. Young sold one cow to John Lutes and bought one cow and calf from Dave Young.

Mrs. E. J. Mills, who has been at Kingswood College with her son, Jack, who has been going to school there for the past year, has returned to Highland and will soon take possession of her farm here.

Thos. Butt has made quite an improvement in his residence in the way of repairing and painting.

Misses Annie Butt and Grace Young, who have been attending school at Stanford and Miss Effie Young, who has been attending school at Richmond, are all at home now.

Rev. S. M. Carrier, wife and daughter, of College Hill, are spending a few days here with his mother and other relatives.

Mauder Baugh left yesterday for Oklahoma to try his fortune in the west.

Jim Surber and wife and Mrs. Joe White, of Burnside, are visiting their brother, Mart Surber.

John H. Young, who has been attending school at Barbourville, is now with a crew of book agents at Greenville, Tenn., where he expects to spend the vacation selling books.

COLORED MAN SAW POSTOFFICE ROBBERS

Before Deed Was Done But Did Not Suspect Their Intention—The Exact Loss.

No clew has been discovered to the men who broke into the Stanford postoffice last Tuesday morning and so far as known no steps have been taken to discover the robbers. The U. S. secret service works very quietly, however, and its detectives may have already been here and at work.

The men who are believed to have broken into the postoffice were seen by Will Salter, a colored man, shortly after midnight, standing in front of the postoffice. Salter was watching to keep dogs off the new granitoid pavement in front of the First National Bank, and as the pavement had become sufficiently hard, was on his way home. The men, one tall and the other rather short, moved off and walked rapidly up Jockey Row, the street between the courthouse and Christian church, so that he could not tell whether they were white or colored. He went on home and shortly afterward the explosion was heard.

Postmaster Florence has figured up the exact loss, which was \$58.74 in cash; \$383.70 in stamps, and \$22.70 in money belonging to the money order department. His personal loss in the safe, etc. is about \$25.

The stamps secured were in one tissue oiled lead stamp book containing 1, 2, 3, 4, 5, 8 and 10-cent special delivery stamps to the value of about \$50, and 1 and 2 cent due stamps, about \$25; a small wooden box, containing the cash.

Breaking or attempting to break into a postoffice has a penalty of a fine of \$1,000 and imprisonment, and the reward for capture of the robbers in this case would be considerable, Postmaster Florence says.

Entrance to the building was effected by breaking the glass in the windows above the outside lock boxes. The robber went about his work in a methodical way. He undoubtedly was an experienced hand at the game.

A hole about half an inch in diameter was drilled in the safe just above the combination lock with a powerful drill.

Ready for business now, the marauder then mixed his "soup"—as nitro-glycerin is called in the criminal parlance—on a shelf in the rear of the office. He did not use all of the supply of explosive he made, but left some on the shelf in a dirty white handkerchief, mute evidence of the means employed in the robbery, but affording no clew to the robber.

The explosion, which followed and gave access to the contents of Uncle Sam's strong box, was heard by many people in town. No one seems to have attached any particular significance to it, however, most of those who heard it passing it off as a loud shot fired by some late roisterer. George H. Farris heard the explosion but did not get up, thinking it was some one firing in Ball's alley. Rural Route Carrier Jesse Manning, who had been out in the country spending the evening with friends, came back to town about midnight. He was turning the corner of Main and Whitley avenue when he heard the explosion, but thought nothing of it more than to wonder what it was.

It is generally believed that two men must have handled the job, one acting as lookout while the other did the dirty work. They did a clever job and got away with but little chance of capture. There was some talk of getting bloodhounds but the government will make no allowance for such expense.

The robbers could easily have gotten out of town on an early freight, or the morning passenger trains.

BIG LEAGUES AFTER STANFORD PLAYERS

Mike Penny Has Offer From Kitty League And Wesley Embry From Blue Grass.

So good have the members of the Stanford base ball team become and so far has their reputation spread by reason of their 20 straight victories, that several have already been offered league positions. Mike Penny has received an offer from Clarksville, Tenn., to catch in the Kitty League, and Wesley Embry is wanted by Manager Kuhn for a try-out in the box with the Shelbyville Blue Grass League team.

It is hardly probable that either will accept the offers made them, for both desire to take college courses, and participation in league games would forever bar them from college or other amateur games. Both are among the best players on the local team when at their best, and their friends believe that either would "make good" in fast company.

Much local interest is felt here in the success which Milton McCormick is attaining with the Paris team of the Blue Grass League this season. He has pitched in five games so far and won every one of them, once or twice winning the game himself by his own batting. He is considered the best pitcher developed in the Blue Grass this season, and will undoubtedly "go up" if he continues his splendid record.

Harry Camnitz, also a Lincoln county boy, has been sent by Pittsburg to Newark, New Jersey, in the Eastern league for a little more experience. His friends are confident that he will soon be with the Pirates permanently, for he is showing the same qualities which have made his older brother, Howard, the best pitcher on the Pittsburg roster.

MCKINNEY BAND GETTING IN SHAPE

Ball Team Defeats Moreland In Hot Game—Other Live News From Little City.

MCKINNEY, JUNE 2.

The McKinney band recently organized, is getting along fine and will soon be ready to give some concerts in the near future. The members are R. H. Metcalf, president, baritone; Norman True, vice president, 1st cornet and leader; Mack Mobley, treasurer and 2nd cornet; George Lay, secretary and tuba; James Dye, librarian; and Eb clarinet; Harry Jacobs, solo Bb cornet; L. E. True, solo alto; Harry Wright, 1st alto, Eugene Davidson, trombone; James Cannon, 1st tenor; Arthur Coffey, baritone. The boys meet Tuesday and Thursday nights for practice. They have three more applications for membership and have horns for more.

McKinney won a hotly contested game of ball from Moreland on their grounds Saturday afternoon by the score of 12 to 9. Battery for McKinney—Estes, Hughes and Epperson. For Moreland—Rakerstran, Neal and Carter.

Our place is rather quiet, as the farmers are busy, the cold, wet weather having greatly retarded them in their work.

Norman True, wife and daughter returned Friday from a visit to friends and relatives at Cincinnati.

Several of our citizens were at the Waters cemetery near Kings Mountain Monday attending the Decoration Day exercises and the funeral services of Roscoe Leach. The sermon was preached by Rev. Huey, of Somerset, and Rev. Davidson, of Danville, made fitting remarks. Harry Jacobs, the monument man, erected a handsome marble monument over the grave of Mr. Leach the same day.

Theodore Reynolds, of Waynesburg, was in town Sunday.

Our genial sheriff, W. L. McCarty, took the train here Sunday for the South.

Miss Catherine Murphy is at home from Bourbon College, where she attended school.

Smith Baughman, of Stanford, was in town in his new Overland automobile and it looks like a fine machine from the way he handled it.

Bring your items in and leave them at the marble works and they will be sent in each week.

BACK FROM WORLD'S S. S. CONVENTION

Hustonville Pastor Talks Interest-
ingly of Session—Live News
From West End of County.

HUSTONVILLE, JUNE 2.

Rev. W. S. Willis, pastor of the Christian church here, greatly enjoyed his visit to Washington and the World's Sunday School convention. He talked both Sunday morning and evening of the many interesting things he saw and heard. He says it was the greatest convention he ever attended and will result in world-wide good. He visited many places of interest in Washington and looked in on the Ballinger-Pinchot investigation and heard several of the leading actors in the matter. He also heard a sharp debate between Senators Aldrich and Cummins and part of Senator LaFollette's speech on the railroad bill.

Rev. Willis thinks the local committee in Washington was unjustly criticised because of its action in deciding that Negroes had no right to a place in the parade. It was not race prejudice, but because the negroes were not members of the World's S. S. Association and had no more right than other outsiders.

The unprecedented action of Congress in adjourning for the men's parade was very much appreciated. Over 5,000 men passed in front of the capitol with banners, flying and bands playing "Onward Christian Soldier."

Over 20,000 people gathered before the capitol and many more would have been present had not rain been falling. Notwithstanding the bad evening the parade made a deep impression upon all who saw it. There were 3,000 delegates gathered from 51 nations, besides many thousand visitors. A great increase in pupils and teachers was noted since the last triennial. The grand total reported was:

Sunday schools.....	285,842
Officers and teachers.....	2,598,613
Scholars.....	25,283,119
Total enrollment.....	27,886,732

Sam Pope, of Boyle, was a guest of Joe Will Rout, Miss Nellie Burton, of Somerset, is visiting her sister, Mrs. Henry Hudson. Mrs. J. M. Eubanks has returned from a visit to her daughter near Lawrenceburg. Miss Florence Epperson has been confined to her bed on account of throat trouble. Capt. J. P. Denham has completed a neat addition to his home near Jumbo.

The largest congregation in several years attended services at the Christian church Sunday morning, 182 Sunday school pupils being among the number.

Robert Routen is seriously ill at the home of his father, W. G. Routen.

Mrs. Priscilla Brown has returned from a visit to relatives in Arizona. In her enfeebled condition from advanced age, she was forced to take to her bed in order to recuperate. Calvin Carpenter, who has been seriously ill, is reported better.

"I was very nervous," writes Mrs. Mollie Mirse, of Carrsville, Ky., "had palpitation of the heart, and was irregular."

"On the advice of Mrs. Hattie Cain I took 2 bottles of Cardui and it did me more good than any medicine I ever took."

"I am 44 years old and the change has not left me, but I am lots better since taking Cardui."

The Woman's Tonic

Cardui is advertised and sold by its loving friends. The lady who advised Mrs. Mirse to take Cardui, had herself been cured of serious female trouble, by Cardui, so she knew what Cardui would do.

If Cardui cured Mrs. Cain and Mrs. Mirse, it surely will cure you too. Won't you try it? Please do.

Brown, of Pleasant Point, drove to Eubanks and were made one by Rev. Telford Sunday. They left immediately for Dry Ridge, where they will make their future home. Their many friends wish them all the happiness in the world.

The new wholesale grocery firm of Sweeney-Surber Grocery Company is starting off in fine shape. Mr. Shelby is being forced to hold down things for a while himself, owing to the illness of Mr. Sweeney, who is confined in a hospital at Lebanon, but who is improving nicely. Mr. Shelby is so capable in every way, however, that he is keeping things moving all the time.

Why Salves Fail to Cure Eczema.

Scientists are now agreed that the eczema germs are lodged not in the outer skin or epidermis, but in the inner skin. Hence, a penetrating salve is required, not an outward salve that clogs the pores.

We recommend to all eczema patients the standard prescription, Oil of Wintergreen as compounded in liquid form known as D. D. D. Prescription. A trial bottle of this D. D. D. Prescription, at only 25 cents, will instantly relieve the itch. We have sold and recommended this remedy for years and know of wonderful cures from its use. We recommend it to our patrons. think that if they raise 20 bushels of wheat or 15 barrels of corn to the acre they are doing well.

ARIZONA RANCHES raise from 6 to 9 crops of Alfalfa a year; yield from 1 1/2 to 2 tons to the acre per cutting, which sells from \$10 to \$20 per ton. We have ranches that yield two crops of corn a year, and no dry years, for all we have to do to make it rain, is to turn on the water in the irrigation ditches.

We have fruit ranches, cattle ranches, chicken ranches, hay ranches and, in fact, anything in the ranch line, large or small, and at all kinds of prices.

Arizona will soon become a state and is coming to the front very rapidly. All kinds of property are in great demand and getting higher every day. Railroads are being built; gold, copper and zinc mines producing untold wealth, and we have the finest climate in the world.

An Expert's Opinion of Skin Diseases

A prominent, national expert on skin diseases whose name you are familiar with, says that in all his scientific experience he has never found so hard a disease to conquer as eczema. Yet he does not hesitate to recommend ZEMO as a most successful remedy for the treatment of Eczema, itching skin diseases, dandruff, pimples, blackheads and all other diseases of the skin and scalp. He says that not only do its curative qualities make it popular, but also the fact that it is a clean, liquid remedy for external use. A great improvement over the old style greasy salves and lotions which are not only unpleasant to use but do not destroy the germ life that causes the disease. ZEMO draws the germs to the surface and destroys them, leaving the skin clear and healthy. Can be used freely on infants. G. L. Penny will gladly supply those who call with a free sample bottle of ZEMO and a booklet which explains in simple language all about skin diseases and how to cure yourself at home with ZEMO.

Wonderful Praise Accorded
Peruna the Household Remedy

Mrs. Maria Goertz, Orienta, Oklahoma, writes:

"My husband, children and myself have used your medicine, and we always keep them in the house in case of necessity. I was restored to health by this medicine, and Dr. Hartman's invaluable advice and books. People ask about me from different places, and are surprised that I can do all of my household alone, and that I was cured by the doctor of chronic catarrh. My husband was cured of asthma, my daughter of earache and catarrh of the stomach, and my son of catarrh of the throat. When I was sick I weighed 100 pounds; now I weigh 140.

"I have regained my health again, and I cannot thank you enough for your advice. May God give you a long life and bless your work."

Dies Suddenly In Casey.

T. R. Chelf, one of the best known and most philanthropic citizens of Casey county, died suddenly at his home west of Hustonville, on Chelf's Ridge. He was 82 years of age, prominent in Masonic circles and will be much missed in his community.

Free Sample For Baby's Ills

Something can and must be done for the puny, crying baby, for the child that refuses to eat and is restless in its sleep. And since the basis of all health is the proper working of the digestive organs, look first to the condition of the stomach and bowels.

A child should have two full and free movements of the bowels a day. This emptying of the bowels is very important, as with it comes a clear head, a lightness of step, good appetite and sound sleep. But it is equally important to know what to give the child in the emergency of constipation and indigestion. Cathartics are too strong and salts and other purgatives are not only too strong, but the child refuses them because of their bad taste. Have you ever tried Dr. Caldwell's Syrup Pepsin? It is a liquid tonic that families have been using for a quarter of a century. It is mild, pleasant-tasting and promptly effective. It is good for you as well as the child, but there is nothing better to be found for children. They like its taste—you will not have to force them to take it.

First of all, if you have not yet used it, Dr. Caldwell would like to send you a sample bottle free of charge. In this way you can try it before buying. Later, when convinced of its merits, you can get it of your druggist at fifty cents and one dollar a bottle, just as thousands of other families are doing. The family of Mr. D. W. Spangler of Strattonville, Pa., as well as that of Mr. A. F. Johnson of Walnut Grove, Tenn., started with it in that way and now write that it is their one family necessity next to food itself. If you are unfortunate enough to have a sickly child, one given to constipation and indigestion, you should send for a free sample of this remedy. Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R. 500 Caldwell building, Monticello, Ill.

He is a beautiful bay 15 1/4 hands high four years of age. He has more natural action than any horse living, and from his success as a show horse in his three year old form bids fair to make a greater show horse than his grand old sire, being undefeated in his class as a three year old and always getting his part in the stakes against the crack show horses of 1909.

This great young stallion will make the season of 1910 at the stock yards of A. T. Nunnally, Stanford, Ky., at the reasonable figure of \$25 to insure a living colt. IT NEVER RAINS BUT IT POURS

Just as we started to press this afternoon—later than usual on account of installing our machine—an important part of our press broke. It never rains but it pours, but we will try to do better next time, if our readers will only have patience with us.

THERE'S hardly a man, woman or child in Lincoln county but feels a sense of personal loss in the removal of Ed Walton to Atlanta. He is very dear to the people among whom he has lived and with whom he has had daily association for almost thirty years. It is probable that no other man in the state has a wider personal acquaintance than he. He seemed not only to know every man in Lincoln and the adjoining counties, but knows them well enough to call each by his first name—and what was important, we have found—knows from memory the date to which each has paid his subscription to the INTERIOR JOURNAL.

Whole-souled, kindly of heart, gentle as a child, tender as a woman, yet brave and always true, he is one of nature's noblemen, and Stanford suffers in the loss of such a citizen. He has been our close friend from childhood and has proved it beyond power of expression in the untiring and fatherly zeal he has taken in assisting us in getting well launched upon our life work here, which he has just relinquished. We were indeed derelict in a duty did we not thus express our high regard for him and sincere appreciation for his countless favors. We know well that the personal interest we feel in the welfare of him and his, is the sincere sentiment of the entire community. May God speed him ever and strew his pathway with roses.

We are printing this paper on Friday afternoon instead of Thursday and hereafter will issue Tuesday and Friday afternoons, instead of Monday and Thursday. This will give our readers later and more news and prove quite a help in many ways. With our new linotype machine, upon which we hope to set up our next issue, we will be able to give our readers much more news, and we believe that as soon as you get used to the change in time, you will agree with us that the new arrangement is much the better.

Hanging's too good for the fiend who murdered little Alma Kellner. It's such cases as this that cause men's hearts to burn within them and force them to quick vengeance, not waiting for the law's delays. The search for the murderer is to be made over the whole world, as it is believed that he has fled across the ocean to his old home on the Continent.

Illinois is all stirred up over the disclosures of bribery of members of the legislature, which elected William Lorimer, of Chicago, to the United States Senate. Wonder how that election would compare with the last election of a United States Senator from Kentucky, if certain members who voted against their party's nominee could be exposed?

COL. WALTON has stirred up the animals in some quarters with his pertinent observations in the State Press column of the Lexington Herald, which he is making a hummer. It's always the hit dog that yelps.

Helm's Argument Good.

Stanford Congressman's Speech Being Used in Texas.

Arthur Krock, the clever Washington correspondent of the Louisville Times, in a recent issue says:

Representative Harvey Helm should (and probably does) feel the deep sense of satisfaction that comes to one whose thunder has been stolen. In this instance the general meaning of the expression is hardly applicable for Mr. Helm pealed this particular peal several months ago, and it was only set a-rolling a few days ago on the Texas coast.

Mr. Helm made a good speech opposing the ship subsidy. He dug for his facts and presented some original reflections that were of real merit. Among them was an extract from an old Congressional Record showing that Speaker Cannon in 1873 was an insurgent on the ship subsidy and defied the House organization.

Now comes Representative Gregg, of Galveston, with the same fact, and he included it in a recent speech that the Texas newspapermen featured in their papers, and which was sent out under frank to the undecided voters of that district. Mr. Gregg is in danger of not returning here, the anti-Bailey men being after him. Mr. Helm feels unusually complimented at the suggestion that his ship subsidy speech of five months ago is the lifeline of the present crisis for Mr. Gregg.

WORK WEAKENS THE KIDNEYS.

Doan's Kidney Pills Have Done
Great Service For People Who
Work In Stanford.

John Wren, E. Main St., Stanford, Ky., says: "I know from experience that Doan's Kidney Pills are all that is claimed for them. Off and on for several years I had severe attacks of lame back. Often I did work that required stooping and at such times the backache became much worse. There was also a too frequent desire to void the kidneys secretions both day and night. Doan's Kidney Pills relieved me and have never failed to benefit me since then when I have taken them."

For sale by all dealers. Price 50 cts. Foster-Milburn Co., Buffalo, New York, sole agents for United States.

Resolutions of Respect.

The directors of the First National Bank at a meeting held May 31, 1910, appointed the following gentlemen as a committee to draft resolutions on the death of their esteemed fellow-worker, Mr. John J. McRoberts, who for nearly 50 years was cashier of the institution. Following is the report, which was accepted:

Whereas, it has pleased the Ruler of the Universe to remove from earthly scenes and the society of those who loved him our efficient and faithful cashier, Mr. John J. McRoberts, and whereas, we desire to express in an official and personal manner our recognition of his ability, fidelity and faithfulness as an officer of our institution, be it resolved,

1st. That our Bank has lost a conservative and judicious official, ourselves a faithful friend and co-worker, the wife and daughter a devoted husband and father and the community a Christian gentleman and model citizen.

2d. We extend to his family our sympathy in the great loss it has sustained; and as a personal mark of respect to his memory and a just tribute to his goodness as a man and a citizen, we now record these resolutions on the minute book of the Bank and direct that a copy be delivered to the bereaved family.

Prof. Ireland Is Greatly In Demand to Conduct Institutes.

Prof. J. W. Ireland, principal of the Stanford High School, is considerably in demand to conduct teachers' institutes this summer. He has booked four engagements already, and has several other under consideration. As he receives \$10 per day for his work, it will be seen that the high price of living won't get the best of the popular pedagogue this summer at least. His dates are: Lincoln county at Stanford, second week in July; Clay county at Manchester, August 15; Mason county at Maysville, Aug. 29; and Gallatin county, Warsaw, Aug. 22.

Good instructors for institutes are very hard to secure and those who have seen Prof. Ireland's work, say he is one of the very best.

WEATHER HARD ON HONEY BEES.

Says Close Observer at Preachersville—Over Half of Bee Colonies Are Dead—Other News Notes.

PREACHERSVILLE, June 2.

In September last we predicted that half of the colonies of honey bees would be dead by May-day this year. The prediction has been more than fulfilled, and in Lincoln county alone, from latest reports, it appears that a goodly number of colonies have perished in the past month. Weather conditions for the last six weeks, from a bee-keeper's viewpoint, have never been equalled before at this date. All signs indicate a worse honey year than last, which was bad indeed.

"Trixie," a small terrier belonging to Miss Carrie Naylor, has become very much attached to little Oliver Moses Stout, the child left on Mr. Spratt's porch in March. Since Mrs. Naylor has had the infant in her care, the terrier has shown an unmistakable affection for it, and any time it cries the terrier scratches at the door and howls till it is hushed. On several occasions when doors are left open, "Trixie" is found on the bed beside the little sleeper.

Miss Ruth Dugan, who has been attending school for some time, has returned, to the delight of her many friends. Mr. Nunneley has been so pressed for space at the yards, that he is having the pens in the rear roofed over so as to be available for use in all sorts of

Mr. Murphy, who was working on the roof, caught at his coat, but would have been unable to have held him, for Mr. Nunneley is no featherweight, had not the latter struck the rafter. He hit it on his left side before catching hold, and the point of impact has been very painful since.

DON VARRICK

This magnificent bred young stallion will make the season of 1910 at my stable near Stanford, Ky., on the Shelby City pike at \$15 to insure a living colt. Don Varrick is 16-2 a beautiful chestnut short back heavy bone in fact the highest type of the trotter and perfect disposition. He is by the great Onward Silver 2:06 1/4, that won the \$5,000 Transylvania in a seven heat race in 1902 and the same year won the \$10,000 Bonner Memorial and the M. and M. in broken heats and sold for \$21,000 and later for \$25,000. Don Varrick is bred exactly like Spanish Queen that won the \$5,000 Transylvania in 1908 making a record of 2:07 and was classed as one of the big four, being one of the greatest money winners on the grand circuit in 1908.

Onward Silver is by Onward, one of the greatest and best sons of George Wilkes. Onward's dam was the dam of Director, sire of that great family of trotters and paces. Don Varrick's 1st dam was by Wilkes Boy, by George Wilkes a full sister to Wilkes 2:10 1/4, and half sister to Madeline Patchen the dam of Rubber 2:10, Winchester 2:19 1/4, Billy Wilton 2:20, and Miss R. 2:20, 2nd dam Mary by Boggs' Grey Eagle the dam of The Way and Madeline Patchen.

Don Varrick's dam produced Dr. Conner the best public bred stallion on the Lexington track at 16 months in 1903, and sold to N. W. Hubinger of New Haven for \$1,000, she also produced Maggie 190, the trotter a half mile on the same track at 16 months old in 1:11 and sold for \$500. Don Varrick is fast game and always on the trot, very rarely ever leaves his feet. In 6 weeks handing last Fall he trotted a quarter on half mile track in 34 1/2. See half in 1:10 and the mile in 2:27 1/2 on the outside of track. Please note the rich inheritance of speed on both sides, not a missing link for generations. Bred to this fellow and you can't miss the four things every breeder looks for size, disposition, speed and good looks. See him before breeding your mares. Season money due when mares are parted with or bred to another horse. Mares kept at 10c per day and all care taken, but will not be responsible for accidents or escapes. Don Varrick is a 2:10 trotter if he had the proper handling.

Also at same place will stand

Two Mighty Jacks Two.

CLIFTON and RUSSEL.

Clifton is a black jack with light points, 4 years old last September, 15 1/2 hands high with a matchless head and ear, well set on a rangy neck, has plenty bone and substance and as a breeder he is not surpassed.

RUSSEL

Is a black jack with light points, 4-year-old last August, full 15 1/2 hands high with as much finish and action as a horse, and as a breeder he is the equal of any jack. Both of these jacks will serve mares at \$10 to insure a living colt. Trading, the mare forfeits the insurance. Care will be taken to prevent accidents, but will not be responsible should any occur. Jennets will be cared for after June 1st, and bred by private contract.

BEAU NABOTH.

45,000.

Sired by Naboth 10-116, Record 2:19 1/4. Beau Naboth's first dam Nora Baughman by Noval last record 2:14, by Electioneer 1557 by Hamilton 10, third dam Josephine, sired by Montrose Starlight 3:02 by Darby 41, fourth dam Mary Withers by Oliver thoroughbred, fifth dam sired by Wagner, sixth dam sired by Imp Trolley, seventh dam sired by Thorton's Battle.

Beau Naboth is a large horse standing 16 hands and weighing condition 1,180 pounds. When he becomes acquainted with the story of his limited education you begin to realize that he is truly a remarkable harness stallion, that he must be a great horse is proved by the wonderful progress that he has made. With very little handling he has proven to be the champion harness stallion of Kentucky. He has won over the best horses that Kentucky has produced. Read of him and you will see that there are no better bred stallions in Kentucky than he is. He gets first-class confined horses, give him a saddle mare he will get you a saddle colt, give him a trotter mare, he will get you a trotting colt, remember Beau Naboth is combined with more record than any other horse in Kentucky. George Wilkes Electioneer, Hamilton and four crosses of thoroughbreds, give him a horse. Come and see this horse he lives without a fault, he is perfect from end to end, his three crops of colts cannot be excelled by any horse. Will stand at the Nudley Stock Yards. John Cook, caretaker, phone 161, the best personal care taken.

Almont Dare

3228.

A. S. H. R.

Sired by Dignity Dare 1982, he by Chester Dare 10, he by Black Squirrel 58, he by King William 97, 1st dam Toxaway 4768, also registered in Vol. 10, A. T. H. R. She by Abdallah Mambino 3715, he by Almont (33); 2nd dam Lady Davis by C. Davis, by Bourbon Chief; 3rd dam Mattie S. by Foreign Light, by Foreigner, by Imported Glencoe; 4th dam Bettie C. by Cunningham's Copperbottom; 5th dam by Imported Buzzard.

NOTE:—Almont Dare, so far as we are able to discover is the first horse on record having to his credit the honor of defeating with his own progeny those of his sire, Dignity Dare. Since he first became a sire he has had from 1 to 4 premium colts shown each year at the different county fairs and they are developing into a fine lot of walk, trot and 5 gaited ones. This horse is the result of a lifelong mating with the best dams and sires obtainable, and as a natural result is a fine horse, beautiful bay, about 16 hands, and made fat, would weigh around 1200 pounds. A show horse among champions, fully their peers, going 6 distinct saddle gait, all fast, true and naturally extremely high. A high tailed one. He is a full brother to that walk-trot gelding Nettleton that sold at a 4 year old for \$3,600, and to Troxy Dare that has won more premiums than any mare ever sired by Dignity Dare and a list of others too numerous to mention. This horse, owing to age and location, will make the season at my stable, 2 1/2 miles from Hustonville on Hustonville and Liberty pike, at \$15 to insure a live colt. Mares traded or bred elsewhere renders season due. Grass in abundance at \$2 per month. Our personal attention to all stock, but will not be responsible for accidents. Correspondence and best of all inspection invited.

In Memory of a Loving Mother.

Mrs. Sallie Camden died May 25th, 1910, at the home of her daughter, Mrs. W. S. Rice, in the Millidgeville section, aged 63. She was a member of the Baptist church, having given her heart to God at an early age. She is survived by her husband and four children—George, Alvin, Mrs. W. S. Rice and Samuel Camden.

Darling mother, you have left us,
One long week since you have gone,
But no, you're safe in Heaven
Mingling with the happy throng.
How we watch to see you coming,
How we miss your welcome call,
How we miss you, darling mother,
One we loved so dear, so well.
We miss the sunshine of your face,
We miss thy kind and willing hands,
Thy fond and earnest care.
Our home is dark without thee,
We miss thee everywhere,
We will go to weep above her,
Lying oh, so white and still,
Where she sleeps from care and sorrow,
Never to know earthly ills.

Oh, our darling, how we loved her,
Oh, how hard to give her up.
But an angel came down for her.
And removed her from our flock.
Her busy hands are folded, her work on earth is done,
Her trials are ended, her heavenly crown is won.

Past her suffering, past her pain,
Cease to weep, for tears are vain;
Calm the tempest of your breast,
For she who suffered is at rest.

Patiently she bore her suffering;
Loving hands did all they could, but
God took her from our midst, as dear mother thought He would. Yes, dear mother, you have left us, forevermore, but by and bye we'll meet you, on the bright and beautiful shore.

From her loving daughter,
Mrs. W. S. RICE.

Boss "Hoss" Trader.

W. P. Kincaid is the boss "hoss" trader. He sold "Old Scott," the horse he bought from E. C. Walton, to Will Arnold, of Lancaster, for \$150 to be used in livery. The run-about he got from Mr. Walton he sold to Smith Baughman for \$50, the two standing him at only \$180, a net profit of \$20 for less than a week's handling.

Mr. Kincaid sold to G. C. Givens a 3-year-old horse for \$150.

Prominent Danvillian Dead.

Jerry B. Fisher, aged 65 years, ex-mayor of Danville, secretary of the Danville Elks lodge, formerly paymaster of the Iron Mountain railroad, and one of the most prominent men in this section, died suddenly in Danville of heart disease at his home. He was unmarried.

Wants To Help Some One.

For 30 years J. F. Boyer, of Fertile, Mo., needed help and couldn't find it. That's why he wants to help some one now. Suffering so long himself he feels for all distress from backache, nervousness, loss of appetite, lassitude and kidney disorders. He shows that Electric Bitters works wonders for such troubles. "Five bottles," he writes, "wholly cured me, and now I'm well and hearty." It's also positively guaranteed for Liver Trouble, Dyspepsia, Blood Disorders, Female Complaints and Malaria. Dignity Dare 1982.

Combined Stallion, Dark Mahogany Bay, 15.25; weight 1,300 pounds. Is absolutely sound in every way. Kind disposition and colts easily handled. He has stepped eighth's in 1:45, hitched to a sulky; is five gaited; a great show horse wearing the blue tie ever since a yearling; at three years old wore 13 blues and one red out of 14 shows; as a harness saddle and as a model in a class by himself. He was never defeated except by two of his own colts, and has won in rings of 25 head. His colts are always inside the money and when developed, make great saddlers and high priced three and five gaited show horses. Sixty five of his get at an average age of 2 1/2 years sold at an average price of \$611. He has never been defeated in a produce ring when shown with a 4 to 10 of his get.

Think of such saddlers as he has sired; namely, Nettleton, Winsom, Prospect, the Jim Anderson Mare, Hay Day, the Price Herring Mare, Toxie Dare, London Dare, Dare All, White Foot, Prince Imperial, and a host of others that have been sold from \$1,000 to \$2,000. Look at his record as a sire of saddlers and see what they can do.

DIGNITY DARE got by Chester Dare No. 10 & 1st dam by Welchmont 6267 A. T. H. R.; he by William Welch 811 A. T. H. R.; he by Hubbard's Hambletonian No. 10 A. T. H. R. will serve mares this season of 1910 at my stable in Hustonville at the low price of \$20 TO INSURE A LIVE COLT.

Money due when colt comes or mare traded or removed, or bred to any other stock. A lien retained on all colts until paid for. Grass furnished at reasonable price for mares from a distance and must be settled for before removed. Breeding hours from 8 to 10 in morning and 4 to 6 in evening. Mares will receive my personal attention, but will not be responsible for accidents or escapes. Will also at the same time and place stand my great breeding Male Jack

D. S. CARPENTER,
HUSTONVILLE, KY.

All Hail to the Farmers and Stockmen! Behold the Conquering Herds Have Come!

The fine young Jack Excelsior sire Emperor, dam Hidalgo, imported, will make the season of 1910 at the Ucar Creek Valley Stock, Grass, Hay, Grain and Tobacco Farm, 2 1/2 miles south of Crab Orchard, Ky., on the Chappell's Gap pike. He was specially selected from the "Great Jack Herd" of Mr. Isaac Shelby Tevis, Travellers' Rest prior to his jack sale two years ago; for the 1,000-acre ranch. This jack is in his fifth year; is black in color with characteristic

gray trimmings—a true picture of an ideal jack; a paragon of style, symmetry and perfection; has magnificent head, ears, neck and body; a strong, pleasant countenance expressing gratitude; alert, aquiline eyes; the ears the right size, form and beauty, that vibrate in unison and harmony; animated by true and fond emotions. The neck, shoulders, trunk, feet, legs, thighs, muscles, sinews, bones and tail correspond in unique proportions and at once indicate he is a picturesque model to his Jackship. He has the action, agility and animation of a "racer" or Arabian steed, and demonstrates to the beholder, he is the gifted son of a noble sire, and has always transmitted to his colts size, form, symmetry, style and beauty with elegance, and these attributes make them sell high. All colts all have been mares except two and all have sold from \$65 to \$125 at weaning or soon after weaning except two; they are not for sale. Excelsior has a strong, snorous rhythmic, tenor voice and brays the hours in chronological order; and in short or long term, sings:

Onky! Onky! Onky! I say; I say! Excelsior—the Royal Donkey!
Was sired and foaled in Old Kentucky; And lives to work and for luck.
I say! I say! I'm the Royal Donkey!
I say! I say, See and hear the Royal Donkey!
Chorus—Onky! Onky! Onky!
Jenny, Jenny, my Jenny!
Onky! Onky! Onky!

By special permission the following gentlemen and citizens of Lincoln county have kindly consented to be used as reference and endorsement; having raised or purchased his produce and personally know this jack as a great breeder and that his colts are rated with the best; viz: Messrs. John Saylor, John Henry Harris, Brom F. Long, Morgan Chapple, George Holmes, Lute King, Bowen W. Givens, Jacobum Rettnesch and I. S. Tevis.

Excelsior will stand at \$8 under same conditions as the stallion Redalgo. Excelsior is the sire of a very fine jennet colt and is destined to be a great jennet jack. The season for jennets will be \$15.

Galton's Pedalgo

The young stallion, Galton's Pedalgo, will stand at the 1,000-Acre Ranch. He is a dark bay, 15 hands high, four years old; has all the essential factors of a model stallion. Sired by Galton 12910; dam Pedo, reg. No. 3715, she by Falconer's Abdallah Mambino—the season cost \$100; 2d dam Lottie Morey by C. F. Clay, etc., etc. This stallion combines the blood of the Hambletonian, Wilkes, Mambino, Seely, American Star and Clay families, and will stand at \$10 to a limited number of good mares. Lien retained on colts until season is paid. Money due at once if mare is sold or traded. Will not be responsible for accidents or escape of mares. Mares pastured at \$2 per month. If you want stylish, fast trotters, breed to Pedalgo.

Bullbine, the Peerless.

A hornless, red Short Horn, Bull, an ideal animal in color form, style, size, symmetry, weight, muscle and bone, will stand at One Dollar, cash at the lot, with privilege of return.

All farmers should raise the best beef cattle; it pays to keep the best. It is the bull that is the great factor in transmitting ideal conditions and developments in the herd. Therefore, bring your cows and get calves you will be proud of and that will sell themselves without chin music. Farmers who breed to the best sires, raise the best stock and get the best prices. We ask the courtesy to purchase at the market price the progeny of these fine animals over other buyers.

The King of Lincoln

A notable and prolific sire, This Jersey bull was sired by Dr. Vaughn No. 72945; dam Roberta No. 123610, "A. J. C. C., No. 8 West 17th St., New York, N. Y." will stand at Three Dollars, cash at the lot, with privilege of return. Cows and heifers pastured at reasonable rates. This bull's progeny have been 85 per cent heifers. His high grade heifers have sold from \$35 to \$50 per head as short and low yearlings. Every family should have a good Jersey cow, as a matter of comfort, economy, good living. Always have golden Jersey cream and butter, for no other tastes like this good, yellow butter.

Stockmen and tobacco raisers will do well to keep their eyes on 1,000-Acre Ranch with its fine stock, grassy pastures, abundant water, prolific limestone and much virgin soil, picturesque forests and timber and beautiful landscapes, wire fences and grand pines, numerous tenant houses and tobacco barns. This land produces the finest quality of tobacco; crop of 1908 sold for 16 1/2 cents; 1909 crop sold for 15 cents per pound.

Cecilian Leaf

44165.

Sired by Red Leaf 21390, the greatest of all roadsters; 1st dam Day Maid by Cecilian, he by Gambetta Wilkes; 2d dam Nell by Balsora 1024; 3d dam Noon Day by St. Elmo 275; 4th dam by Pilot, Jr. 12.

In Cecilian Leaf the blood of C. F. Clay and Red Wilkes is united with that of Gambetta Wilkes and Pilot, Jr., and should prove a cross which cannot be excelled.

Cecilian Leaf is a well developed, registered trotting colt, four years old. He is a rich bay with two white hind feet and a star; is exceptionally rangy for a trotting horse, especially graceful in the neck; stands full 15 3/4 hands; has high action and lots of style and finish, which, in add

tion to his speed, makes him an ideal horse for the stud. These qualities are just what is needed in a sire to breed high class harness and walk-trot horses, and it is the walk-trot that sells for the most money and has the readiest sale. Cecilian Leaf is unmarked but can trot in 2:28. He will go for a record this summer.

He will make the season at the Pink Cottage barn 1 1/2 miles from Stanford on the Hustonville pike. The fee to a limited number of approved mares this season will be \$15 for a living colt. Season fee due when mare is parted with.

In offering the services of this young horse whose sire and whose dam's sire are among the very foremost of all Kentucky's horses as sires of fancy show horses, I believe that I am making you an offer of rare merit.

COMMENCEMENT AT CRAB ORCHARD

Interesting Exercises At Graded School—Live News Letter From The East End.

CRAB ORCHARD, JUNE 2

The commencement exercises of the graded school were successful in every particular and reflect much credit on the pupils and teachers. There were some pieces which deserve special mention.

The duet by Birdie Perkins and Shelby Gover pleased the audience required them to respond to an encore. Little Arethusa McCarley recited "My Dead Doll" in a most touching manner. "The Sunflower March" by the boys in costume was carried out perfectly. Mary Bailey gave in pantomime the poem "Seven Times One," in a sweet and charming manner. In fact we doubt if could have been improved upon one of mature years. The motion song, "Little Mothers," by ten little girls, was exceedingly good. The duet, "Peterkins and Polly," sung by little Sam Perkins and Nellie Corum in their child-like way, was very sweet. "Too Much of a Good Thing," which was played by the older pupils, impressed all with the thought that each one possessed talent. The entire program was carried out in a very successful manner and exceedingly interesting. The orchestra furnished some sweet and appropriate music.

Prof. Wilson who has had charge of the school, left to spend his vacation with his mother at Cynthiana. Miss Beatie Hocker, one of his assistants, received a telegram just at the close of the exercises calling her home on account of the serious illness of her mother.

Mrs. Dan Kimbrough, of Cynthiana, and Mrs. George Martin, of Maywood, are visiting Judge Collier and family. Mrs. Collier has been to the Crab Orchard Sanitarium for treatment. We hope to see her restored to health in a short time. Judge James P. Bailey and Mrs. Ed Peyton came up to attend the school exercises and were guests of Carroll Bailey and family. Samuel Lackey, of Harrodsburg, is also their guest.

Miss Jean Buchanan has returned from Louisville, accompanied by Miss Belle Haldeman.

Col. James Guest and wife have returned home after a pleasant visit to Mrs. Gill Boyle, Dr. James and Will Guest, in Louisville.

Mrs. Laura Moore is with her son, Ward Moore, after spending the winter in Hendersonville, N. C., with her daughter, Mrs. Charles Singleton.

Mrs. Emma Farris has gone to Richmond to visit relatives.

J. F. Cummins and wife, Miss Kittie Hoffman and Hubert Carpenter, of Stanford, attended the closing exercises of the school.

Charles Buchanan, of Louisville, is visiting relatives and friends here.

Misses Ella Thompson, of Danyville, Rinda Pettus, of Preachersville, Mary and Margaret Pettus, of Stanford, have been recent guests of Mrs. F. F. Cummins.

John Anderson is spending the week with friends in Preachersville. Miss Buelah Davis, of Maywood, is visiting friends here. Mrs. Milton Conder is very ill.

W. C. Chase, representing the Southern Consolidated Insurance Co., of Atlanta, Ga., has rented cottages at Dripping Springs and will move his family there for the summer.

The prayer meeting at the Baptist church Thursday evening was unusually interesting. We were favored with some lovely music by Mrs. Katie Scott and Mr. Peters. The latter also sang a solo which was very impressive. We hope this may not be the last time they will favor us.

At the close of the Christian Endeavor meeting Sunday evening, Prof. Wilson who has been president of the society since its organization, resigned, much to the regret of all the members. The following officers were elected for a term of six months: Woodford Pettus, president; Wallace Gover, vice president; Mrs. Hannah Steger, secretary and treasurer.

Kick Killed Mule.

Mule Kills Very Valuable Animal For Assessor Pepples.

Just how powerfully a horse can kick was clearly demonstrated at the farm of John C. Pepples, the popular county assessor, at his farm on the Rush Branch pike. Mr. Pepples had a fine mule kicked in the side by a mare, and the mule died within a couple of hours. The mare planted her iron-shod hoof squarely on the mule's ribs and it was a severe blow. As Mr. Pepples valued the mule at \$280, he feels the loss keenly.

MIRACULOUS ESCAPE FROM DEATH

John King, of Moreland, Hurler Thro' Air By Q. & C. Train. Horse Killed; Buggy Smashed

John King, a popular young man of Moreland, and son of Hon. B. B. King, had a miraculous escape from instant death or serious injury when his buggy was struck by a freight train at the Q. & C. railroad crossing near Moreland one night this week. The horse he was driving was instantly killed and his buggy smashed to splinters, but in some mysterious way Mr. King was thrown upward and alighted on top of the engine cab. He rolled off the cab and landed safely on the side of the roadway.

Mr. King did not see the train approaching, for on account of the chilly weather he had hoisted the top of his buggy. He had heard the fast South-bound midnight passenger go by sometime before reaching the crossing, and was unaware that a freight train was following so close behind. Just as he drove on the crossing he heard the shrill whistle of the engine as it turned the curve. Mr. King was so shocked that he was motionless, realizing as he did, that the train was almost upon him.

Before he could regain himself, his vehicle was struck by the engine, going 40 or 50 miles an hour.

Mr. King was unhurt. No bones were broken and he received no scratches, but says he feels like every muscle in his body had been violently exercised in the brief period of 30 seconds. He says the most sensational feature of the whole affair came when he shot up over the smokestack and encountered severe heat and cinders.

Dorsey Golddust,

12652.

Full Brother to Estelle No. 215. Sired by Zileadi Golddust, 4400—by Golddust 150, by Vermont Morgan and on to Justin Morgan. The dam of Zileadi Golddust was by Imp. Arabian stallion Zileadi. The dam of Dorsey Golddust is Florence by Golden Mingo Chief, a son of Gaffa Comet Morgan.

Note—This is an intensely colored Morgan stallion, the blood now in demand. A rich dappled bay, black points, 16 hands high, 1200 pounds, stallion of great beauty and action, with speed and endurance and excelled as a producer of high class show, road and Eastern horses. The records of his produce both in show and sale rings show his value and merit as a producer of fine road, show and sale horses. A look at size and color will be convincing.

Will make the present season at any farm 2 1-2 miles from Stanford, Ky. to approved mares at \$15 to insure a living colt. Mares kept at 10 c a day. The best of attention given but no responsibility for accidents or escapes.

F. REID.

Sequel, No. 2512.

Owned by J. B. Sandridge, Hustonville Ky. Bay stallion, left hind foot white; foaled Nov. 17, 1904; sire, Prospect, by Dignity Dare 1882. Dam Squirrel 191, by Black Squirrel 58, 2d dam, Daisy Denmark 192, by Sumpter Denmark, Jr., 3rd dam, Fannie Wallace 56, by Sir Wallace. Sequel is one of those full made ones with two good ends and a middle; is an extra individual in every respect; just such a one as you see winning the blue ribbons in the show ring, is fine gaited, never touches himself anywhere and is a very high going on all 'round. He has won 16 blue ties in show rings, never defeated. Come and see this grand colt, he is worth going miles to see. Sound. This horse will make the season at Hustonville at \$12.50 to insure living colt.

Dock Grey

Shetland pony, 38 inches tall, owned by Hugh Reid Foster, will make the season at to insure a living colt. He is by an imported pony that cost \$1,000 in the Shetland Islands, and is regarded by horsemen as the best pony in Kentucky, defeating all comers in the show ring in 1903. Litter retained on all colts until season is paid. Mares parted with or bred elsewhere forfeits insurance and money becomes due. Will make the season at my farm. JOHN B. FOSTER, \$10 to insure Stanford, Ky.

Lightness With Strength is a feature of our road harness. There is not an ounce of unnecessary weight, but it is made so honestly and strongly that it will stand any strain. If your horse had the say he would choose one of these sets. Why not act on that assumption?

Ends Winter's Trouble.

To many, winter is a season of trouble. The frost-bitten toes and fingers, chapped hands and lips, chilblains, cold sores, red and rough skins, prove this. But such troubles fly before Bucklen's Arnica Salve. A trial convinces. The greatest healer of Burns, Boils, Piles, Cuts, Sores, Eczema and Sprains. Only 25c at Penny's Drug Store.

Of Course He's From Stanford.

One of the sprightliest and most business-like young clerks ever seen in the town is represented in the person of 12-year-old Joe Mack Newland, of Stanford. He is a brother-in-law of Marvin H. Adams, and is employed by Mahan & Adams. He is all over the store in a few seconds and takes and fills any order like a clerk who has had years of experience.--Danville Advocate.

Dogs After Sheep Again.

Sheep-killing dogs are busy in the West End now. Mr. R. L. Berry, near Hustonville, caught three dogs among his sheep this week. He got as close as possible and fired. One dog dropped dead to the ground and the other two ran. However, he succeeded in killing one of them. The third cur got away. An ewe was killed by the dogs and a large number of his flock of 60 were badly frightened.
